Transcriber's Office  
FLOOR DEBATE

February 16, 2006 LB 856

SENATOR CUDABACK: Senator Louden, would you yield to a question from Senator Chambers?

SENATOR LOUDEN: Yes.

SENATOR CHAMBERS: Senator Louden, in order to help me get my amendment in proper form, would you at least support this amendment, which would strike the word "chick" and substitute the word "fowl," f-o-w-l?

SENATOR LOUDEN: Let me take a look at the machine here.

SENATOR CHAMBERS: Okay.

SENATOR LOUDEN: Would be more accurate for what they're trying to do in the bill, that's for sure. I can't say. I have to look at it for a little bit longer to see whether or not I could support it or not, but it would be more accurate then, when you get the word "chick" out of there. That's for sure.

SENATOR CHAMBERS: Right, and that's all this amendment does. Regardless of what ultimately happens with the amendment, this gets rid of "chick" and inserts "fowl." But I'll let you look at it and think it over. Thank you, Senator Louden. Members of the Legislature, this would put into more accurate form the amendment that I'm offering. Then I will try to refine it even further. So I ask that you adopt this amendment. And if you have any questions about it that may be lingering, I'm prepared to answer them to the best of my ability. And if my ability is not sufficient to provide an answer, I may invite my mentor to assist me. Thank you, Mr. President.

SENATOR CUDABACK: Thank you, Senator Chambers. You heard the opening on FA450, which is an amendment to FA449. Open for discussion. Senator Kremer.

SENATOR KREMER: Thank you, Mr. President, members of the body. I would like to call your attention to something on this same page, page 1, of the amendment AM2107. This language is not new language. It is also...it is up on line 11 and 12. We did
